10 Rules for the Real World!

- RULE 1 - Life is not fair; get used to it.
- RULE 2 - The world won't care about your self-esteem. The world will expect you to accomplish something BEFORE you feel good about yourself.
- RULE 3 - You will NOT make \$40,000 dollars a year right out of high school. You won't be a vice president with a car phone until you earn both.
- RULE 4 - If you think your teacher was tough wait till you get a boss. He doesn't have tenure.
- RULE 5 - Flipping burgers is not beneath your dignity. Your grandparents had a different word for burger flipping; they called it opportunity.
